**Treasurer's Report-**

As of 9/12/11, the balance is \$13,002.18. Joan is working on a year to year budget report.

**Test Session-**

The next test session is slated for Dec. 8 at SkateNation Plus.

Trisha brought a motion that came from Juli Davi from the RFSC. Richmond FSC and Central Virginia SC currently hold joint test sessions together. Juli wants to include the Tidewater FSC with the joint test sessions with RFSV and CVSC. The board had discussed this and decided that it would not be beneficial for the clubs to include Tidewater FSC in the joint test sessions. This will be relayed back to Juli Davi.

**New Club Jackets-**

Trisha is still working on the project. The club logo is currently being created in digital format. Trisha has gotten some pricing but still being worked out.

Jackets :  
Adult \$79  
Youth: \$76

Name: \$5 and embroidering around \$15.

These are just some estimates at this time. Working to narrow down the pricing to maybe have an order form out to the members before Christmas time.

**September Program Ice-**

This is where skaters can run their programs without anyone else on the ice. This session will be held the weekend before the Falling Leaves competition. There will be a fee for skaters as follows:

Skaters participating in Regional's: Free  
All other skaters: \$5

There will be cake for a send off for skaters going to Regionals. There will be emails going out as reminders for skaters to participate and/or come to cheer on the skaters for support.

**Figure Skating's Future at the Ice Zone-**

The board is looking for ideas to help and maintain the skating programs at the rink. The board is in discussion on this issue. The board is working on extending afternoon freestyle sessions to give skaters in school to get to the rink in time to skate. The board will continue to search for ideas.

**The next meeting of the Board will be the Monday, October 17 at 7pm at RIZ.**

There being no further business, the meeting adjourned at: 8:50 pm.

Respectfully submitted,

Deann Clanton
