As of September 27, the balance in the club account is \$13539.22. Joan will be working on a budget for the 2010/2011 skating year.

## **Test Session -**

The August test session was very successful. It was scheduled for 1day, however due to the overwhelming number of skaters and tests being taken, a second day was added. The club received extra income from a large number of late fees and out of club fees.

The next Richmond area test session will probably be sometime in November hosted by the RFSC. The CVSC will probably be hosting one in February 2011. More details to come in the following weeks.

### **Theater on Ice-**

This is a team performance similar to production events. The team is allowed 8 – 30 skaters and skate to a particular theme. For the upcoming season, the club only would qualify for 1 team performance to be held on April 6-10, 2011 in Cape Cod. There will be emails to parents & coaches sent to see if there would be an interest for this type of skating.

### **Volunteers –**

The club needs to expand its volunteer base. The club is considering creating a volunteer coordinator position .

### **Hardship Issues –**

There was some discussion regarding how the club should deal with skaters who are hampered from participating in club activities due to financial issues. Further research and discussion is needed before a policy is adopted.

### **Family Skate –**

The 2010 Family Skate will be held sometime between Christmas & New Years hopefully on Tuesday, Dec. 28 or Thursday, Dec 30. More details to come in the following months.
