Minutes

The minutes for September and October were review and approved by conseneus.

Club Membership

No new business at this time.

Treasurer's Report-

As of 11/14/2011, the balance is \$12,392.02.

New Club Jackets-

Trisha has brought in a sample jacket to get an idea of what the jacket would look like and to get sizing for members to try on. She states that the jacket might run small but the jacket looks good and feels warm. Information for the purchase of the jackets has already been sent out to the members.

Poinsettias Sale-

Connie Stanley is handling the poinsettias sale which is in progress.

Tights Sale-

Trisha is also handling the sale of the tights which is already in progress.

Christmas Show-

There will be 2 performances of the Christmas show. The show is going as planned. Sue will talk to Gaby if she is needing any help with the show – costume changes etc..

The club is looking for volunteers to help with the bake sale and hot chocolate during the 2 show performances.

During the rehearsals, there have been some conflicts with some skaters/parents involvement of the show. The club offered an idea that for next year before show rehearsals start to have a parent education meeting for conduct and rules of what is expected from them and skaters. Also include a point of contact for any concerns anyone may have.

Family Skate

The club will be having its annual Family skate on Friday, December 30. There will be food served starting at 5:30pm and ice time from 6:30- 7:30pm.

National Skating Month-

This is annual event that the club and Richmond Ice Zone participates in. Richmond Ice Zone will be holding a skating clinic for National Skating Month sometime in January. Diane and Gaby will be getting together to work out the details for this event.

Used Equipment Sale-

This sale is slated for January 21 from 9-12. The drop off time for items for the sale will be between 8-9ams and pick up items after the sale from 12-1pm. More details to come in the following weeks.

Test Session-

The next test session is December 8 at Skate Nation Plus.

Atomspehre Issues-

There are some stories that the rink is beginning to be a disfunctional rink. The club is looking into this further and work at resolving issues to make RIZ a better place to skate.

Other Business-

Deb Ulmer appreciated and thanked the club for sending flowers in her time of need in the passing of her mother.

The next meeting of the Board will be the Monday, January 9, 2012 at 7pm at RIZ.

There being no further business, the meeting adjourned at: 8:14 pm.

Respectfully submitted,

Deann Clanton
